

## British Skin Foundation

PRESS RELEASE - For Immediate Release

### Recycle for Research

Clear your wardrobe of all things old this New Year! We have teamed with *Clothes for Charity* to make donating your old clothes easy.

Log on to [www.clothesforcharity.org.uk](http://www.clothesforcharity.org.uk) and search 'British Skin Foundation'. You can then simply request a bag to arrive at your home to fill with clothes, shoes and accessories. When you've filled your bag, you can log back on to the website to arrange a collection. Finally, once your bag has been received and scanned, you'll receive a letter to confirm your donation.

So make some room for the January sales and help the only UK charity dedicated to raising funds for skin disease and skin cancer research. There are **eight million** people living with a skin disease in the UK, some are manageable and others are severe enough to kill.

Skin disease doesn't just affect the skin. It can have a huge impact on a person's day-to-day life, crush self-confidence, restrict movement, lead to depression and put a huge strain on families as well as personal relationships. Our unwavering commitment to funding quality research means we won't stop until we've found cures for common skin problems like eczema and acne through to potential killers like malignant melanoma.

Log on today <http://www.clothesforcharity.org.uk/charities/british-skin-foundation/>
